Children's Programs:

Baby Rhyme Time: Join us weekly for rhymes, songs, bounces, stories, and playtime. For caregivers and babies ages 0 - 18 months. *Location: Imagination Station.*

Family Storytime: Enjoy stories, songs, movement, and more! All ages. *Location: Imagination Station.*

- Special Snacking Storytime with 4th & Court Hy-Vee Dietician! July 11th.

Toddler Storytime: Toddlers and their caregivers can enjoy stories, rhymes, fingerplays, and songs together. Ages 18 months to 3 years. *Location: Imagination Station.*

Mother Goose on the Loose! Develop babies and toddler's early literacy skills through music, rhyme, stories, and movement. Ages 0-3. *Location: Imagination Station.*

Preschool Storytime: Join us for stories, song, movement and activities that build literacy and kindergarten-readiness skills. Ages 3 – 6. *Location: Imagination Station.*

- 9:30-10:00 AM: **For Groups and Daycares** - Registration required. *Please email mbslattery@dmpl.org to register*
- 10:15-10:45 AM: **For Families**

BAM! (Books, Art, Make): Bring your imagination and creativity to learn about different art techniques and artists. We will make a project to take home each session. Best for grades K-5. Children in grades K-2 should have an accompanying adult to assist them. *Location: Imagination Station/Children's area.*

LEGO Fridays: Head to the children's area every Friday to build and create with Legos and Megabloks! All ages. *Location: Children's area.*

Maker Mondays: Drop in and use your creativity to create a STEM related craft. This is an unstaffed program, and supplies may be limited. *Location: Children's Area.*

Toddler Art Outside: Join us on the Library Lawn to get creative with toddlers! Be prepared to get messy - and please wear old/play clothes. In case of rain, alternate craft will be held in the Children's Area. Ages 18 months to 3 years. *Location: Library Lawn.*

Stories in the Sculpture Park: Come to the Pappajohn Sculpture Park for stories and movement. Meet in front of the Nomade (the large white alphabet sculpture). In case of rain we will meet at the library. Best for ages 3-6.

Fairy Garden Magic: Make your own fairy garden to take home. This program is best for ages 4-12, with younger children needing to be accompanied by an adult. This is a registration program and is limited—registration begins June 1st. No group registrations.

Kitchen Science: Play with your Food! Become a food scientist while playing with food, colors, and more. Ages 5-12. Registration is required - online at dmpl.org. *Location: Meeting Room 1*

Youth Maker Lab: Do you like to build? Visit Central children's area for the Youth Maker Lab! Participants can rotate through four creation stations! Build with LEGOS, play Minecraft or build a two speed fan or a flying saucer with Electronic Snap Circuits, or check out Ozobots and learn a simple way to code. *Location: Children's area.*

Summer Reading Concert with the Belin Quartet! Join us to celebrate the Summer Reading Program with a concert from the Belin Quartet. Listen to orchestrated music and engage in fun activities before hand to celebrate summer and music! We will have special activities from the Des Moines Art Center, The Science Center of Iowa, the 4th & Court Hy-Vee, IPTV Educational Resources, and the Greater Des Moines Botanical Garden along with Zumba, chalk art, and more. *Location: Library Lawn.*

The Science Center of Iowa presents Simply Electrifying: Learn more and explore the exciting world of electricity with a presenter from the Science Center of Iowa. Experience hair-raising fun and see what happens when electricity meets a pickle! Large groups are welcome. *Location: Meeting Room Wing.*

August 1st: Blank Park Zoo presents World for Wildlife: Join a Blank Park Zoo educator and four animals from the zoo's education department to talk about ways in which we can make the world a better place for all creatures, great and small! This fun and interactive program will show you just how easy it can be! *Location: Children's area.*

Tween and Teen Programs:

Tween/Teen STEM: Rainbow Ice Globes: Cool off this summer by experimenting with ice and melting points. In the process, you might just create a radical rainbow on your ice globe! Grades 4-12. Groups of 5 or more please email ahead at jmstolz@dmpl.org *Location: Imagination Station.*

Teen/Tween Chocolate Factory: Get in touch with your inner Willy Wonka and create some chocolate masterpieces! We'll provide the molds, as well as different coloring and flavors. You provide the pure imagination! For those entering 4th-12 grades. Groups of 5 or more please email ahead at jmstolz@dmpl.org *Location: Imagination Station.*

Teen/Tween STEM: Lava Lamps: Explore liquid density by making a groovy "lava lamp" that you can take home! For those entering 4th-12 grades. Groups of 5 or more should make arrangements by emailing jmstolz@dmpl.org *Location: Imagination Station.*

Learn to Draw Manga with the Des Moines Art Center!: Are you a Manga fanatic? Want to try your hand at drawing in the manga style? Learn about drawing Manga with a guest instructor from the Des Moines Art Center! Practice your technique and make your own creations to take home. For those entering 4th-12 grades. Participants are required to attend both days (07/24/2017 and 07/26/2017), as instruction is given on both days and projects are cumulative. Register online at dmpl.org. *Location: Imagination Station.*
