Preschool Storytime: On Mondays, children ages 3-5 can come and enjoy stories, songs, rhymes, and more, followed by a craft. *Meeting Room*

Preschool Storytime: STEM Storytime: Children ages 3-5 can come and enjoy an educational storytime based on science concepts. There will be stories, rhymes, and songs, followed by science-related activities. *Meeting Room*

Baby Rhyme Time: Join us on Tuesdays for rhymes, songs, bounces, stories, and a short playtime. For caregivers and babies ages 0-18 months. *Meeting Room*

Family Storytime: The whole family can come to the library for stories, rhymes, and songs the second Saturday of the month and every Tuesday evening. *Children's Area*

Toddler Storytime: Every Wednesday, toddlers and their caregivers can enjoy stories, rhymes, fingerplays, and songs, followed by a craft. Ages 18 months-3 years. *Meeting Room*

Lego Fridays: The Legos will be available in the children's area, so get ready to build. *Children's Area*

Gaming Unplugged: The board games will be available in the children's area so be prepared to challenge a family member or friend. *Children's Area*

The Science of Spin with the Grout Museum: The Grout Museum puts a new spin on art using whirly-gigs, gyroscopes, and tops to create spin art and color wheels. Drop in anytime between 3:00-4:00 PM on Friday, July 7, for science-related activities and art. Sponsored by the Friends of the Franklin Library. *Meeting Room*

***I Survived Challenge!:** Join us for a special event on Tuesday, July 11, at 3:00 PM that is based on the popular book series *I Survived* by Lauren Tarshis. This program will connect hands-on activities to historic events, natural disasters, and other topics through various stations. Ages 5-10. Registration preferred but not required. *Meeting Room*

***Science Wednesdays: All Things Slime:** Are you a mad scientist in the making? On Wednesday, July 12, at 4:00 PM, come to our brand new monthly program for kids ages 6-12 that explores different aspects of STEM (science, technology, engineering, and math). This month we are going to be learning about (and playing with) slime. Please preregister for this program. *Meeting Room*

SOAR with the Eagles: SOAR, Saving Our Avian Resources, will present a live eagle program at the Franklin Avenue Library on Friday, July 14, at 3:00 PM. This program is dedicated to the understanding, appreciation, and protection of our national symbol. *Meeting Room*

Visit the Art Cart: Art supplies will be available in the children's area on July 15 and 29. Bring your imagination and make something amazing. *Children's Area*

Summer Reading Carnival: Celebrate with us at our annual Summer Reading Carnival on Tuesday, July 18, at 3:00 PM. There will be games, prizes, a craft, and refreshments. *Meeting Room*
