Children's Programs

Art with ASAP: Join the After School Arts Program this summer for Friday fun at Forest Avenue Library as we dig deep into curiosity and creativity, discovering art all around us. Our five-week series led by ASAP Teaching Artist Joslyn Hagener features a variety of hands-on arts projects (sculptures, paintings, and more) that may even surprise participants as they come together! Space is limited, so first come first served to save your spot.

Bilingual Storytime/Cuentos en Español e Inglés para Toda la Familia:

Come and enjoy stories, rhymes, songs, and crafts in English and Spanish. Vengan y disfruten cuentos, rimas, y canciones en inglés y español.

Forest Avenue Calming Room: Do you need a calm place to play? Then come to the Forest Avenue Calming Room for a sensory interactive experience! This is an unsupervised, drop-in program for youth. Children under 10 years old must be accompanied by a caregiver over 12 years old.

Forest Flicks - Kids: How To Train Your Dragon The Hidden World: When Hiccup and Toothless discover a beautiful light fury, Toothless is besotted and in love. The only problem? Both Toothless and the light fury are being targeted by the legendary dragon hunter Gimmel! Will Hiccup and his crew of dragon-riders save the dragons from Gimmel and stop dragon hunting forever? Come to Forest Avenue Library and find out! Rated PG.

Furry Tales: Kids! Stop by Rosie's Forest at Forest Avenue Library and read a book a reading therapy dog! Reading to a dog is a great way to build reading/language skills while making a furry friend!

Gaming Unplugged: Are you a gamer? Then come to Forest Avenue Library and play some classic board games! This is an unsupervised, drop-in program. Children under ten years old must be accompanied by a caregiver over 12 years old.

Play, Grow, Learn!: Play, Grow, Learn! Is an opportunity for you to use the Imagination Station to explore early literacy skills using Forest Avenue Library's space and toys.

Pop-Up Playground: Create your own play structures, games, art, and more at Pop-Up Playground on the green space outside Forest Avenue Library! We'll provide a selection of materials to inspire your imagination so you can design and play on your perfect playground. In the event of inclement weather, Pop-Up Playground is cancelled.

Stem Mondays - Puffy Slime: Are you a scientist? Then come to the green space outside Forest Avenue Library and get ready to experiment and explore STEM concepts as we make Puffy Slime! Rain Location: Forest Avenue Library Meeting Room

Space Cadets with Jester Puppets: Celebrate the end of summer with a special storytime featuring Jester Puppets! Use your unlimited imagination and travel through space with cadets of the Academy as they problem solve, overcome challenges, and work together as a team. Learn STEM elements and expand your mind throughout the voyage! The universe is yours!

Storytime: Enjoy stories, rhymes, songs, movement, and more!

Children and Teen Programs

Artemis Fowl Escape Room: Artemis Fowl-boy genius, millionaire, and criminal mastermind. Do you have what it takes to help him defeat the fairies of the LEPrecon Unit and escape?

Comics Creators: Love Raina Telgemeier, superheroes, manga, graphic novels, and cartoons? Ready to let your artist flag fly? Then come to comics creators! We'll provide the paper and pens, you provide the creativity! This is an unsupervised, drop-in program. Children under 10 years old must be accompanied by a caregiver over 12 years old. For grades 4-12.

Crossroads - A Journey with the Blues: Come and join local jazz legend and music historian Scott Davis for a sight and sound journey across the history and cultural impact of a uniquely American music called the Blues. Scott is a versatile musician and also teaches Jazz History at DMACC. He has been inducted into the Community Jazz Center and the Iowa Rock 'n Roll Hall of Fame. See and hear why the Blues has been called the foundation of much of the world's popular music. This event is being presented in cooperation with the Central Iowa Blues Society and is sponsored by the Forest Avenue Brick Fund.

Forest Flicks - Interactive Edition: E.T. The Extra Terrestrial: You've never watched E.T. like this before! Enjoy an interactive viewing experience to this classic film.

Level Up!: Minecraft Club has just leveled up! Now in addition to Minecraft, you can use our tablets to play Roblox and other great games.

Minecraft Club: Create your own virtual worlds, go on adventures, and learn computer skills as we play Minecraft at the library. For grades 3-8.

Youth Makerspace - Microscopes: Microscopes allow us to view things that are normally too small to see with just our eyes. Check out the different slides and get an up-close view of plants and insects!

Youth Makerspace - Sphero: Check out Sphero, the little robot! Learn the basics of coding as you tell it to roll around the room.

Youth Makerspace - 3D Pens: Create a three dimensional object using 3D Pens!

Youth Makerspace - Augmented Reality: You don't need a headset to delve into virtual reality. Come and check out some cool apps and games that will introduce you to augmented reality.

Teen Programs

Girls Who Code: Free program for 6th-12th grade girls to use computer science to impact their community and join our sisterhood of supportive peers and role models.

Street Art Workshop with Movement 515: Join Mentors from Movement 515 and learn a little about the history of street art, from wheat pasting to graffiti, and then create your own designs!
