# Children's Programs

**Bilingual Storytime/Cuentos en Español e Inglés para Toda la Familia:** Come and enjoy stories, rhymes, songs, and crafts in English and Spanish. Vengan y disfruten cuentos, rimas, y canciones en inglés y español.

**Forest Avenue Calming Room:** Do you need a calm place to play? Then come to the Forest Avenue Calming Room for a sensory interactive experience! This is an unsupervised, drop-in program for youth. Children under 10 years old must be accompanied by a caregiver over 12 years old.

**Forest Flicks - Kids: Mary Poppins Returns:** Create your own play structures, games, art, and more at Pop-Up Playground on the green space outside Forest Avenue Library! We'll provide a selection of materials to inspire your imagination so you can design and play on your perfect playground.

**Furry Tales:** Stop by Rosie's Forest and read a book to Jersey, the reading therapy dog! Reading to Jersey is a great way to build reading/language skills while making a furry friend!

**Gaming Unplugged:** Are you a gamer? Then come to Forest Avenue Library and play some classic board games! This is an unsupervised, drop-in program. Children under ten years old must be accompanied by a caregiver over 12 years old.

**Play, Grow, Learn!:** Play, Grow, Learn! Is an opportunity for you to use the Imagination Station to explore early literacy skills using Forest Avenue Library's space and toys.

**Pop-Up Playground:** Create your own play structures, games, art, and more at Pop-Up Playground on the green space outside Forest Avenue Library! We'll provide a selection of materials to inspire your imagination so you can design and play on your perfect playground. In the event of inclement weather, Pop-Up Playground is cancelled.

**STEM Mondays - Slime:** Are you a scientist? Then come to the green space outside Forest Avenue Library and get ready to experiment and explore STEM concepts as we make colorful SLIME! Rain Location: Forest Avenue Library Meeting Room.

**STEM Mondays - Outta' This World Bugs with ISU Insect Zoo:** ISU Insect Zoo is returning to Forest Avenue Library to kick-off All Summer Long 2019! Join us for a short presentation and then meet creepy-crawlies from all over the world in this hands-on, interactive program.

**STEM Mondays - Outer Space Odyssey with Science Center of Iowa:** Are you curious about outer space? Do you dream of travelling among the stars? Then come to Forest Avenue Library for Outer Space Odyssey with Science Center of Iowa! Together, we'll follow the amazing journey of the Voyager spacecraft, see some of the awe-inspiring images they have taken and attempt some out-of-this-world experiments.

**STEM Mondays - Volcanoes:** Are you a scientist? Then come to the green space outside Forest Avenue Library and get ready to experiment and explore STEM concepts as we make fizzy volcanoes! Rain Location: Forest Avenue Library Meeting Room

**Storytime:** Enjoy stories, rhymes, songs, movement, and more!

## Children and Teen Programs

**Comics Creators:** Love Raina Telgemeier, superheroes, manga, graphic novels, and cartoons? Ready to let your artist flag fly? Then come to comics creators! We'll provide the paper and pens, you provide the creativity! This is an unsupervised, drop-in program. Children under 10 years old must be accompanied by a caregiver over 12 years old. For grades 4-12.

**Minecraft Club:** Create your own virtual worlds, go on adventures, and learn computer skills as we play Minecraft at the library. For grades 3-8.

**Video Game Escape Room:** Use your knowledge of different video games, new and classic, to see if you can escape before time runs out!

**Youth Makerspace - Sphero:** Check out Sphero, the little robot! Learn the basics of coding as you tell it to roll around the room.

**Youth Makerspace - Microscopes:** Microscopes allow us to view things that are normally too small to see with just our eyes. Check out the different slides and get an up-close view of plants and insects!

**Youth Makerspace - Makey-Makey:** With Makey Makey, anything becomes a computer! Play piano with bananas, or try to beat a level of a video game using spoons as a controller.

**Youth Makerspace - Weather:** What causes tornadoes, or lightning? What are clouds like? Have fun learning the science behind weather!

## Teen Programs

**Girls Who Code:** Free program for 6th-12th grade girls to use computer science to impact their community and join our sisterhood of supportive peers and role models.
