Children's Programs

Storytimes:

Preschool Storytime: Ages 3-5. *Meeting Room*

Baby Rhyme Time: Newborns-18 months. *Meeting Room*

Family Storytime: All Ages. *Children's Area*

Toddler Storytime: Ages 18 months-3 years. *Meeting Room*

Self-Guided Activities:

LEGO Fridays: The LEGOs will be available every Friday. *Children's Area*

STEM Activities: Experiment with our STEM (science, technology, engineering, and math) activities on Saturday, July 6. *Children's Area*

Mosaic Tile Sticker Craft: Fill in one of our pictures or design your own work of art using mosaic tile stickers on Saturday, July 20. Craft will be available while supplies last. *Children's Area*

Superhero Scavenger Hunt: Search the Children's Area and receive a prize on Saturday, July 27. *Children's Area*

Structured Programs:

Furry Tales at the Library: Come to the library to hang out with one of our amazing therapy dogs. Norm and Annie will visit the library this summer for kids to come in and read to them, give them a snuggle, or just say hi. *Children's Area*

Dinosaur Party: On Tuesday, July 9 join us in the meeting room for activities, games, and crafts that are all about everyone's favorite extinct creatures! Ages 3 and up. *Meeting Room*

***Science Wednesdays: Jellyfish in a Jar:** On Wednesday, July 10 discover fascinating facts about this ocean creature and make your own jellyfish in a jar to take home. Science Wednesdays is a chance for kids ages six to twelve to explore different aspects of STEM (science, technology, engineering, and math). Registration is required for this program. *Meeting Room*

***Rainbow Sand Art Terrariums:** Bring your imagination on Friday, July 12 and create a miniature terrarium using colored sand, plants, and tiny toys for you to take home and display! This program is for ages 5 and up and registration is required. *Meeting Room*

Explore the Universe with Dr. H.: On Tuesday, July 16 meet Dr. K. Renee Horton, NASA scientist and children's author. This Open House event includes games, crafts, activities and Dr. H. reading and signing her new book! *Sponsored by the Friends of the Franklin Library. Meeting Room*

***Art in the Library: CD Fish:** Visit the library on Wednesday, July 17 and make a very shiny fish out of recycled CDs. This program is for children ages six to twelve and requires preregistration. Younger siblings may attend if accompanied by an adult. *Meeting Room*

Summer Reading Carnival: It's one of our most popular events of the year! As All Summer Long nears an end, join us for tons of fun at the Franklin Avenue Library on Tuesday, July 23. We'll have lots of games set up around the meeting room, with an opportunity to win prizes. There will also be a craft and refreshments. Help us celebrate a successful summer at the annual carnival! *Meeting Room*

Kids Pokémon Card Swap: On Wednesday, July 31 bring your Pokémon cards and get ready to trade. Ages seven to eighteen. *Meeting Room*

Teen Programs

Teen Tech Petting Zoo: Interested in technology? On Monday, July 1 try out some of our latest devices, like the Oculus Go and Ozobots. Also check out some old-school technology you may have never used before! *Meeting Room*

Teen Flicks & Crafts: *The House with a Clock in Its Walls*: On Monday, July 15 enjoy this fun fantasy flick while creating steampunk bookmarks. Movie has a 105 minute runtime and a PG rating. *Meeting Room*

Kids Pokémon Card Swap: On Wednesday, July 31 bring your Pokémon cards and get ready to trade. Ages seven to eighteen. *Meeting Room*

The last day to pick up your ALL SUMMER LONG reading prize is
Saturday, August 10.
