Notes: See back of the sheet for program descriptions.

* = Preregistration required. Go to DMPL.ORG/EVENTS or call 515-283-4152

- = Ages 0-5
- = Elementary
- ★ = Teens

Children's Programs:

Bilingual Storytime/Cuentos en Español e Inglés para Toda la Familia: Come and enjoy stories, rhymes, songs, and crafts in English and Spanish.

Play, Grow, Learn! Play, Grow, Learn! Is an opportunity for you to use the Imagination Station to explore early literacy skills using Forest Avenue Library's space and toys. This is an unsupervised, drop-in playtime where parents and caregivers are encouraged to interact with their children. Many items will be available for free exploration and play.

Saturday Crafternoons: Explore your artsy side with a craft activity on Saturday afternoons from 12:00-4:00.

STEM Mondays: Get ready to experiment and explore STEM (science, technology, engineering, and math) concepts in a hands-on activity and challenge!

STEM Saturdays: It's STEM Saturdays at Forest Avenue Library! Join us for a shortened family storytime and then get ready to experiment and explore STEM, (science, technology, engineering, and math) concepts in an accompanying hands-on activity!

Storytime: Enjoy stories, rhymes, songs, movement, and more!

Teen Programs:

Music Jam: Teens, learn about different programs that will help you create your own music and lay down your own tracks.

Children and Teen Programs:

Building Blunders with the Science Center of Iowa: Building can be hard, and things don't always turn out like we want them to. Engineers use these blunders to learn and build even better things! Join us at Forest Avenue Library as we learn with the Science Center of Iowa about some famous building blunders that topple, tilt, or twirl while experiencing the marvels of engineering!

Comics Creators: Love Raina Telgemeier, superheroes, manga, graphic novels, and cartoons? Ready to let your artist flag fly? Then come to comics creators! We'll provide the paper and pens, you provide the creativity! For grades 4-12.

Habitat Homes with Polk County Conservation: What habitats exist in Iowa and who lives in them? Join us at Forest Avenue Library as Polk County Conservation Naturalist Lewis Major visits to discuss animal habitats in Iowa.

Kids in the Kitchen: Are you hungry? Then come to Forest Avenue Library and learn how to make an easy healthy snack with the Food Bank of Iowa and ISU Extensions! Space is limited, so first come first served to save your spot. For K-8th Grade.

Minecraft Club: Create your own virtual worlds, go on adventures, and learn computer skills as we play Minecraft at the library. For grades 3-8, pre-registration required.

Minecraft Mondays: Minecraft Club on the 2nd and 4th Tuesdays of the month not enough? Come get your fix in a special summer edition: Minecraft Mondays! We provide the tablets, you bring the creativity as we play Minecraft at the library. #AllSummerLong

Youth Makerspace-Paper Inventions: You don't always need fancy equipment to make cool gadgets. Come and see what awesome things you can make using paper!

Youth Makerspace-Coding: We will use Scratch and other websites to learn the basics of coding.

Youth Makerspace-Air-O-Dynamics: Learn how planes fly and windmills are powered, and then experiment with building your own of each.

Youth Makerspace-3-D Designs: Turn 2-D drawings into 3-D designs and then see how a 3-D printer works.
